

焊接搭子链轮

Weld on Hub Sprockets

Pick a plate sprocket and a finished bore hub you need. By welding, you make a B type finished bore sprocket quick and easy in emergency use. It's economy and save your time. A few stock of plate sprocket and hub can serve you a variety of sprocket sizes. Unique and convenience in your repair and replacement needs.

ROUND BORE WITH KEYWAY & SET SCREW

SQUARE BORE WITH SET SCREW

SPLINE BORE

recommend to use Low Hydrogen Electrodes for welding sprocket parts. **WELD FINISH SPROCKET HUBS**
